

Bring your collaborative office spaces  
to life online

# Increase sales by engaging your audience

XplorNow's powerful True3D walk-through experience captures the attention of any prospective client right where they start their search - Online.

XplorNow Spaces are complete experiences that give your online visitors an accurate sense of any property. They are high fidelity, interactive visualizations created from real 2D and 3D data about your spaces, and you can embed the walk-through's in your website just like photos and videos.

The result is a realistic, interactive 3D and VR experience that feels as real as being there!

*It's a game changer how we interact with our customers.*

Hire **XPLORNOW**<sup>SM</sup> to scan your property today!

*Our clients report they receive 95% more calls and 65% more emails about properties featured online with a 3D tour.*

# The next great storytelling tool

Enhance your marketing by offering audiences a revolutionary way to experience any real-world place, right from their browser or virtual reality headset. With clickable, interactive tags throughout the 3D Showcase, your audience can drive the experience.

## Impress online visitors with these exciting features

### 3D Walkthrough

Give your online guests a self-guided immersive experience, more engaging than traditional media.

### Mattertag™ Content

XplorNow includes annotations and embedding of rich media directly in your 3D Space to highlight key features of your space.

### Easy Sharing

Our 3D Showcases are hosted at a simple URL so you and your online visitors can share them everywhere!
