Mind, Body, & Spirit

At BeeHive Homes of Lakeville, you will never be lost in a crowd. We provide residents with opportunities to nurture new friendships through planned group activities and interactive social gatherings. We also respect the desire for personal quiet time.

The hub of each home is the family room, where residents enjoy television, reading, playing games, and interacting with their neighbors and staff. From on-site concerts and bingo tournaments to movie nights and short story readings, our social calendar offers an array of weekly activities designed to meet each individual's needs and interests. We also work closely with religious organizations and local churches to provide opportunities for those seeking spiritual care.

Since this truly is a home, the kitchen doesn't close. In addition to three delicious meals a day, there's always access to nutritious snacks. Family members are welcomed for meals and have the freedom to come and go as they please with the companionship of fellow residents.
